A Message from the Head of School...

June 2018

It seems like only a minute ago, I sat down in my office in Woodlands wondering what the year would bring. Here we are, with a full school year already winding up and what a year it's been. Full of learning, athletics, music and performing arts, trips and events and oh, so much more.

As students, you are second to none. You bring a vitality and excitement to our campuses every day. To those of you who learn and play on our Cavendish Campus – I have loved every assembly and 'pop in' time and of course, your hugs and smiles. Our Main Campus is always humming and I've absolutely enjoyed being able to stop by your classes or see you outside on the field or even just having your lunch in a quiet corner.

Faculty and Staff, thank you for the energy and passion you bring to Saltus and for the way you care deeply about teaching, learning and our students – a magic combo. It's a privilege to work alongside you.

Enjoy these pages and the memories they invoke. Thank you for the memories you've already given me in my first year!

Ms. Lavell

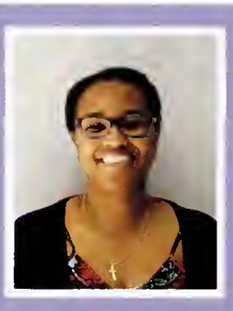
BEACH DAY

Mrs. DeSa has been with us in the Upper Primary Department this year teaching in S5. Mrs DeSa said she enjoyed every minute of her time with 5M and was proud to teach her students.She found the students to be hard working, diligent and very creative. Giving them opportunities to be innovative with her ideas was the highlight of her school year. Her students wrote plays, made a movie, built shelters, did research, grew plants, went on field trips and did their best to represent Saltus well. Project Based learning is a great vehicle for students to express themselves and Mrs. DeSa was pleased to pilot it this year as part of the S5 team. She is grateful for the support and encouragement she received from the Saltus family and wishes the school continued success. We are sad to see her go but very appreciative for all of her hard work this year. The staff and students will miss her and we wish her all the best in her future endeavours.



Miss. Brangman will be leaving us after substituting in 3R for Mrs Rilhiouma while she has been out on maternity leave this term. Miss. Brangman said that she has thoroughly enjoyed her time in S3 at Saltus. She has fond memories working with the S3 team and the students on various activities. Miss. Brangman's favourite days were the Sports day, Swim Gala, Pirate Day and going on various field trips. She really enjoyed activities where all the students got together to learn and had loads of fun. I would like to thank Miss Brangman for all her hard work with 3R and her amazing profiteroles that she made for the staff! We wish her all the best in her future endeavours.

DEBATE / PUBLIC

The participants for the senior team include: Kaya Vogler, Ywione Darrell, X'achela Robinson. Junior and senior team was run and coached by debate expert, Christianna Dakin whilst the senior team was run and coached by Mrs. Dakin and Ms. Briley Habib. Overall, Mrs. Dakin and Ms. Habib were both pleased by the efforts of both teams, recognizing that they'd spent lots of time preparing and many had never debated before. Debate allows you to work better in teams, do independent work and compete in exciting competitions to argue interesting topics. It also enhances the qualifications of a student going into university, allowing them to broaden their scope of activities in their academic career.

Public Speaking Team - (L-R) - Tyler Hurdle, Alys Webber, Jakob Resnik, Kaya Vogler, Kayla Halbig and of course Ms Habib as their coach. (missing from this photo: Ywione Darrell)

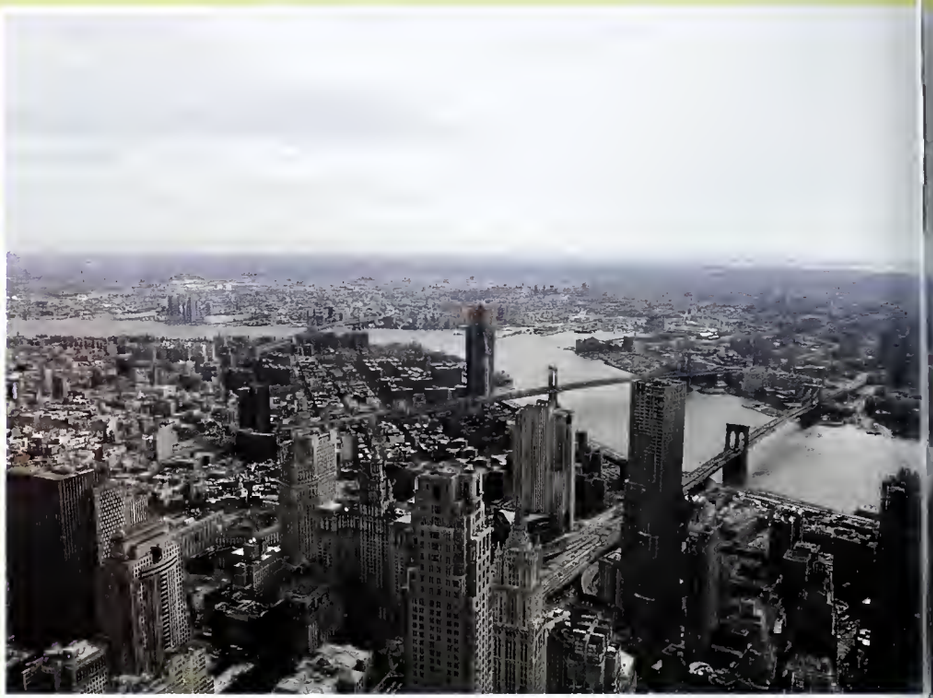
UK UNIVERSITY TRIP



Our annual UK University Trip was led by Secondary teacher and University advisor, Mrs. Tanja Walker along with Mr. Tim Figureido (Head of PE) and Mrs. Fiona Murdoch (Head of Art and SGY1 Year Coordinator), and included 15 SGY1 students plus one student from Warwick Academy. They were in the UK February 7th to 15th and visited a total of 15 universities: Oxford Brookes University, Nottingham, Nottingham Trent, Leeds University, Birmingham University, University of West England, Bristol, Reading, Southampton University, Solent, Kent University, Surrey, Roehampton, King's College London and London School of Economics. Students said that the trip was well worth it and was a lot of fun. They all saw at least one school that they are very interested in. One parent commented that her son could not stop talking about the trip and returned home with lots of valuable information on several UK Universities.

Paris Trip

J'adore Paris! We had an amazing time on the Paris trip! We had lots of fun hanging out with friends, and have learnt lots of little things that will help us if we get to return to this beautiful city. Whilst on the trip, we got to experience a bit of French cuisine and try some 'escargot' which wasn't that bad considering what it is. We did, however, get to eat lots of foods we were used to as well as having croissants and baguettes, we also had Starbucks and McDonalds for lunch sometimes!! We think one of our favorite things to eat was the crêpes that a few of us got that we enjoyed whilst on a street near the Notre- Dame, which had ice-cream, crêpe, and chocolate!! As well as eating, we got the opportunity to learn a lot of French and about the city, as we took a French class in Paris, as well as doing some tours, like a bateau-mouche boat tour on the Seine! Sitting inside wasn't the best idea as most of the pictures we took had random people walking outside, but the ride itself was pretty cool, as what we did see was enchanting. One of my favorite experiences was the catacombs. Mrs.Spicer was the tour guide, as she already knows so much about the catacombs, and I think I learnt a lot about the history of the catacombs such as why they were built. From an overview, we absolutely loved going to Paris, and getting to spend time with friends, and make more memories!

Founders Day

Saltus was founded in 1888 by Samuel Saltus. Each year to commemorate his work in the educational field Saltus dedicates a day to remembering him and his successes. The day consists of a whole school assembly in which we talk about the late Mr Saltus and the progress the school has made since he founded it. After which we precede to the St Johns church cemetery where a wreath laying ceremony takes place. The afternoon then consists of a barbecue lunch and the famous alumni cricket game. It is a day that the entire Saltus community looks forward to and enjoys. It has become a long held and heartfelt tradition that will stay with us for many years to come. This year the students took down the alumni in the cricket game!

The 2018 edition of The Martlet was printed by Jostens Yearbooks of Clarksville, TN. The wonderful yearbook staff created 196 full color pages on 100% gloss paper.

As it has been for many years, the Martlet was produced using the Jostens Yearbook Avenue and Yeartech Online programs, without them, the Martlet would still be produced by hand! This year, the Martlet would like to thank Gisele Concepcion, Gareth Cooper, Chris Davidson and Max Kermode for photography. We'd also like to thank the yearbook staff: Sarah Osiek, Jess Bucher, Suki Rowden and Mackenzie Costa. Finally, many thanks to the Senior Editors Lila Hilverding, Adrianna Penruddocke and Adeline Young for all their work during the school and summer period. Finally, we do apologize for any mistakes. Our yearbook is a student produced publication and therefore to expect a perfect and flawless yearbook would be unrealistic. As you can imagine, we, here at the Martlet, are always disappointed to find our mistakes, but please know that we never intend to be malicious or hateful and that mistakes do happen, but we endeavour to do our best.

The yearbook unfortunately will be losing some of it's core members this year, Senior Editors Adriana, Lila and Adeline. All of us from Yearbook wish them the best with their further education. To finally conclude, it is due to the efforts of the yearbook commitee, along with the lovely and talented Mrs. Murdoch that this book even exists at all.

Thank you!

From the Adviser's Desk...

As I sit down to write this, the world has been watching their screens intensly as two remarkable events unfold: The World Cup and the rescue of 13 members of a Thai football club who were trapped in underground caves for nearly 3 weeks. Although these initially only seem related because they are both about football teams, they are more connected than first imagined. Millions of people around the world have been cheering on the rescuers and praying for the survival and rescue of all these young boys. Meanwhile, half the world away, countries have been watching their "boys", hoping and praying the trophy will "come home". Now although the final has yet to take place, and all Thai boys have been rescued, perhaps the world will get together and all support the football team that actually did come home, safe and sound.
This lesson reminds me of what it is like to be a community and to support one another. The Saltus Community has many members, both old and new, and regardless of who you are, you are a part of this family. I hope you will find wonderful memories in this book, of this year's events. We have tried our best to chronicle as much as possible, so that when this book gets dusty on the shelf, you can pick it up many years from now, and it will bring you back to a wonderful time.

I want to thank Trista Riihilouma and Claire Steede for their help with the editing and collecting photographs of all the events in Upper Primary. I would also like to thank the staff in Lower Primary for taking so many photographs of your many activities. Finally, I would like to thank my Secondary Yearbook Staff, especially my Senior Editors Lila, Adeline and Adriana. This book could not have been created without all of your hard work and industry. I wish Lila, Addy and Adriana the very best of luck in the next stage of their lives. May you always question, try to inspire and find rainbows wherever life may take you!
